

West Hartford Public School District

Agenda Item: **NextEd Transforming Connecticut’s Education System**
Continuous Improvement Plan from The Connecticut Association of Public School Superintendents (CAPSS)

Meeting Date: February 7, 2012

From: Karen L. List, Superintendent

Background:

The Connecticut Association of Public School Superintendents (CAPSS) has put forth a document recommending changes needed to address the complex problems that our education system is facing. These recommendations suggest that the system must be transformed in order to meet the needs of students and ensure they receive the best possible education.

The Executive Summary – **NextEd Transforming Connecticut’s Education System** follows. The full report is available at www.ctnexted.org

Dr. Joseph Cirasuolo, Executive Director of CAPSS will provide an overview of the report and answer questions
